

## Contents

### ANIMAL BREEDING AND GENETICS

43. Multiphasic Analysis of Growth Curve of Body Weight in Mice / *E. Kurnianto, A. Shinjo and D. Suga* ..... 331
44. Comparative Performance of Early and Late Maturing Nili Ravi Buffalo Heifers / *A. N. Naqvi and S. A. Shami* ..... 336

### ANIMAL REPRODUCTION AND PHYSIOLOGY

45. Effect of Porcine Somatotropin and Insulin on Prenatal Survival and Uteroplacental and Umbilical Cord Development in Gestating Gilts / *C. Okere and R. R. Hacker* ..... 341
46. Effect of GnRH Immunization on Testicular Function in Colts / *U. Tshewang, K. F. Dowsett, L. Knott and A. Jackson* ..... 348
47. Effect of Hypothyroidism on the Growth of Black Bengal Goats / *P. S. P. Gupta, P. C. Sanwal and V. P. Varshney* ..... 354

### RUMINANT NUTRITION AND FORAGE UTILIZATION

48. *In Sacco* Evaluation of Rumen Protein Degradation Characteristics and *In Vitro* Enzyme Digestibility of Dry Roasted Whole Lupin Seeds (*Lupinus albus*) / *P. Yu, A. R. Egan and B. J. Leury* ..... 358
49. Effect of Stage of Growth and Cultivar on Chemical Composition of Whole Maize Plant and Its Morphological Fractions / *R. Firdous and A. H. Gilani* ..... 366
50. *In Situ* Digestion Kinetics of Mottgrass (*Pennisetum Purpureum*) With or Without Supplemental Legume at Two Levels by Buffalo Calves / *M. Sarwar and Mahr-un-Nisa* ..... 371

### NON-RUMINANT NUTRITION AND FEED PROCESSING

51. Effects of Feeding Winged Bean Oil on Cholesterol and Lipid Contents in Egg and Liver, and Fatty Acid Composition of Egg in Japanese Quail / *R. Mutia and S. Uchida* ..... 376
52. Partition of Amino Acid Requirements of Broilers between Maintenance and Growth. IV. Threonine and Glycine / *S. H. Bae, J. H. Kim, I. S. Shin and In K. Han* ..... 381
53. Partition of Amino Acid Requirements of Broilers between Maintenance and Growth. V. Isoleucine and Valine / *S. H. Bae, J. H. Kim, I. S. Shin and In K. Han* ..... 388
54. Effects of Expander Conditioning of Complex Nursery Diets on Growth Performance of Weanling Pigs / *S. L. Johnston, R. H. Hines, J. D. Hancock, K. C. Behnke, S. L. Traylor, B. J. Chae and In K. Han* ..... 395

---

55. Effects of Expander Operating Conditions on Nutrient Digestibility in Finishing Pigs / <i>S. L. Traylor, K. C. Behnke, J. D. Hancock, R. H. Hines, S. L. Johnston, B. J. Chae and In K. Han</i> .....	400
56. Effect of Feeding Organic Acid With or Without Enzyme on Intestinal Microflora, Intestinal Enzyme Activity and Performance of Weaned Pigs / <i>Defa Li, S. D. Liu, S. Y. Qiao, G. F. Yi, C. Liang and P. Thacker</i> .....	411
57. Effect of Feeding <i>Aspergillus Oryzae</i> Culture on Fecal Microflora, Egg Qualities, and Nutrient Metabolizabilities in Laying Hens / <i>S. W. Han, K. W. Lee, B. D. Lee and C. G. Sung</i> .....	417

### ANIMAL PRODUCTION AND APPLIED SCIENCE

58. Mineral Concentration in Blood of Grazing Goats and Some Forage in Lahar-Laden Area of Central Luzon, Philipines / <i>E. A. Orden, A. B. Serra, S. D. Serra, C. P. Aganon, E. M. Cruz, L. C. Cruz and T. Fujihara</i> .....	422
59. Economics of Small Scale Dairy Farming in Bangladesh under Government Support Programme / <i>M. H. Kabir and R. K. Talukder</i> .....	429

### REVIEW PAPERS

60. Production and Use of Feed for Sustainable Animal Production in Australia / <i>J. B. Rowe and J. L. Corbett</i> .....	435
61. Sustainable Roughage Production in Korea / <i>S. N. Hur, K. B. Lim and D. A. Kim</i> .....	445
62. Non-Conventional Roughages in Tropical and Sub-Tropical Asian-Australasian Countries / <i>I. M. Nitis</i> .....	449
63. Non-Conventional Concentrates in Temperate Asian-Australasian Countries / <i>P. W. S. Chiou</i> .....	460
64. Plant Toxins and Detoxification Methods to Improve Feed Quality of Tropical Seeds / <i>H. P. S. Makkar and K. Becker</i> .....	467
65. Grains and Roughage Production and Its Utilization in Asian-Australasian Region / <i>P. N. Bhat and P. C. Bansil</i> .....	481
66. Nutritive Values of Major Feed Ingredient in Tropics / <i>M. Winugroho</i> .....	493

※ *Papers (#60~66) were presented at Session 1 (Managing Feed Resources and Their Utilizations) of Pre-Conference Symposium 2 entitled "Management of Feed Resources and Animal Waste for Sustainable Animal Production in Asia-Pacific Region Beyond 2,000" of the 8th World Conference on Animal Production which was held on June 28, 1998 in Seoul, Korea. Editors for the Session 1 were Professor I. M. Nitis (Indonesia) and H. T. Shin (Korea).*

AAAP NEWS .....	503
ANNOUNCEMENT FOR THE FORTHCOMING INTERNATIONAL SYMPOSIUM .....	505
