

Asian-Australasian Journal of Animal Sciences

February 2001

Volume 14, Number 2

Contents

ANIMAL REPRODUCTION AND PHYSIOLOGY

22. Effects of Magnetic Pole on Orientation of Bull Sperm Treated by Dithiothreitol or Heparin / *Du Ngoc Pham, Akihisa Shinjo and Edy Kurnianto (Japan)* 155
23. Expression of the *E. coli LacZ* Gene in Chicken Embryos Using Replication Defective Retroviral Vectors Packaged With Vesicular Stomatitis Virus G Glycoprotein Envelopes / *Teoan Kim, Young Man Lee, Hoon Taek Lee, Young Tae Heo, Heng-Cherl Yom, Mo Sun Kwon, Bon Chul Koo, Key Whang and Kwang Soo Roh (Korea)* 163
24. Improvement of *In Vitro* Development of Bovine Embryos in a Medium Containing Selenium / *J. H. Lee, J. H. Park, K. M. Choi, K. S. Im and D. I. Jin (Korea)* 170
25. Ultrastructures of Oocyte Development and Electrophoretic Patterns of the Yolk Protein Following HCG Treatment in Korean Native Catfish (*Silurus asotus*) / *J. M. Yoon, E. Y. Chung and G. W. Kim (Korea)* 174
26. Effect of Multiple Showering and Vitamin Supplementation on Sexual Behaviour, Quality and Freezability of Buffalo Bull Semen / *Pawan Singh, B. P. Sengupta and V. N. Tripathi (India)* 184
27. Somatic Cell Counts in Marrah Buffaloes (*Bubalus bubalis*) During Different Stages of Lactation, Parity and Season / *Mahendra Singh and R. S. Ludri (India)* 189

RUMINANT NUTRITION AND FORAGE UTILIZATION

28. Rumens Metabolic Development in Crossbred Calves Reared on Animal Protein Free Pre-Starter and Oat Hay / *A. Sahoo, D. N. Kamra and N. N. Pathak (India)* 193
29. Influence of Isobutyric Acid Supplementation on Nutrient Intake, Its Utilization, Blood Metabolites and Growth Performance of Crossbred Calves Fed Wheat Straw Based Low Protein Diets / *A. K. Misra and S. S. Thakur (India)* 200
30. Cassava Chips and Ground Corn as Sources of Total Non-Fiber Carbohydrates in Total Mixed Rations for Dairy Cows / *J. Kanjanapruthipong, N. Buatoug, U. Kanto, S. Juttupornpong and W. Chaw-uthai (Thailand)* 206
31. Effect of Glucose and Formic Acid on the Quality of Napiergrass Silage After Treatment With Urea / *M. Yunus, N. Ohba, M. Tobisa, M. Shimojo and Y. Masuda (Japan)* 211

NONRUMINANT NUTRITION AND FEED PROCESSING

32. Ileal and Total Tract Digestibility in Growing Pigs Fed Cassava Root Meal and Rice Bran Diets With Inclusion of Fish Meal and Fresh or Ensiled Shrimp By-Products / *Le Duc Ngoan and Jan Erik Lindberg (Sweden)* 216

33. Effects of Feeding Extruded Corn and Wheat Grain on Growth Performance and Digestibility of Amino Acids in Early-Weaned Pigs / <i>W. T. Cho, Y. G. Kim, J. D. Kim, B. J. Chae and In K. Han (Korea)</i>	224
34. Effects of Enzyme Complex on Growth Performance and Nutrient Digestibility in Pigs Weaned at 14 Days of Age / <i>Z. N. Xuan, J. D. Kim, J. H. Lee, Y. K. Han, K. M. Park and In K. Han (Korea)</i>	231
35. Determination of Carnitine Renal Threshold and Effect of Medium-Chain Triglycerides on Carnitine Profiles in Newborn Pigs / <i>K. N. Heo, J. Odle, X. Lin, T. A. T. G. van Kempen and In K. Han (USA)</i>	237
36. Effects of High Dietary Levels of Selenium-Enriched Yeast and Sodium Selenite on Macro and Micro Mineral Metabolism in Grower-Finisher Swine / <i>Y. Y. Kim and D. C. Mahan (USA)</i>	243
37. The Effects of Phytase Supplementation on the Performance of Broiler Chickens Fed Diets With Different Levels of Non-Phytate Phosphorous / <i>H. S. Lim, H. Namkung, J. S. Um, K. R. Kang, B. S. Kim and I. K. Paik (Korea)</i>	250
38. Effect of Chromium Picolinate on Growth Performance, Carcass Characteristics, Serum Metabolites and Metabolism of Lipid in Pigs / <i>GangXi, Zirong Xu, Si-hung Wu, Shijiang Chen (USA)</i>	258

ANIMAL PRODUCTION AND APPLIED SCIENCE

39. Color Determination of Beef Rib Eye Using Near Infrared Spectroscopy / <i>J. O. Kang, J. Y. Park and Y. H. Choy (Korea)</i>	263
40. Low Cholesterol Mozzarella Cheese Obtained from Homogenized and β -Cyclodextrin-Treated Milk / <i>H. S. Kwak, C. G. Nam and J. Ahn (Korea)</i>	268

ANIMAL HEALTH AND WELFARE

41. Effect of Helminthiasis on Zinc Metabolism / <i>L. M. Musalia and P. Aggett (UK)</i>	276
42. Effect of Different Lighting Sources on Behavior and Growth of Weanling Pigs / <i>P. C. Glatz (Australia)</i>	280
43. Effect of Declawing on Behavior of Farmed Emus / <i>P. C. Glatz (Australia)</i>	288
